ABOUT ME

I am a developer with over three years of experience in commercial development, primarily working as a full-stack developer:
- **Backend:** PHP, OpenCart, 1C-Bitrix (a little), Laravel (a little).
- **Frontend:** JavaScript, JQuery, CSS, HTML, SCSS.

I'm constantly developing and striving for high-quality, extensible and understandable code.

WORK EXPERIENCE

KSK (Homel, Belarus)   01.03.2022 - until today
